

NEW SUBSCRIPTION OPTIONS

JEAB has added a subscription order form and PayPal payment option to its website (<http://seab.envmed.rochester.edu/jeab>) to make subscription ordering easier than ever.

In addition, *JEAB* is now offering online-only subscriptions to individuals, students, and retirees. This is in addition to the print + online option already available. We hope this more environmentally friendly, paperless subscription option will appeal to many current and potential subscribers, particularly foreign subscribers who will no longer be subject to the extra cost of postage.

Although subscription rate increases are a fact of life, we are not raising ours for 2010. For a complete list of subscription choices now offered, please visit our website at <http://seab.envmed.rochester.edu/jeab>. For other subscription-related questions, contact Monica Bonner, *JEAB*, Department of Psychology, Indiana University, 1101 East Tenth Street, Bloomington, Indiana 47405-7007 (812-336-1257), email: jeab@indiana.edu.
